

The South Dorchester Good Neighbor Project

On a rainy Sunday afternoon in April, we came together for the South Dorchester Community Conversation. We listened carefully to one another -- we shared our ideas and discussed our concerns. We were bound together by our love of South Dorchester and our desire to be good neighbors to one another in good times and in bad.

On June 12th, we held a follow-up meeting that centered on:

What have we learned and where can we go from here?

At this meeting, we launched the South Dorchester Good Neighbor Project. We reiterated the needs of the community and identified areas where we would like to focus: communication, transportation, and the senior center. We began to discuss possible next steps. (For more information, please see the attached summary of the June 12th meeting.)

Our next meeting will be on July 10th. We will continue our conversation about next steps.

Everyone is invited, even if you weren't able to attend the Community Conversation or the follow-up meeting on June 12th. We hope you will be able to join us. Please mark your calendar!
